Re: *Rodriguez v. Cornucopia Logistics, LLC*
Case No. 1:22-cv-09744-AT

Dear Judge Torres:

We represent Defendant Cornucopia Logistics, LLC (“Defendant”) in the above-referenced matter. On behalf of all parties, and in accordance with Your Honor’s Order dated January 2, 2023 (Docket No. 50), we respectfully write to advise the Court of the status of the parties’ settlement discussions. Although the parties have continued to make progress toward a resolution, they remain in the process of attempting to resolve certain outstanding issues bearing on a potential settlement. The parties’ efforts to address those issues include, *inter alia*, further communications between Defendant and the parties’ mediator. Although the parties remain scheduled to appear for a settlement conference before Magistrate Judge Parker on February 29, 2024 (the “Settlement Conference”), they respectfully request leave to continue their ongoing discussions with and, as necessary, through their mediator so that they may maximize their prospects of reaching a resolution prior to the Settlement Conference.

Thank you for Your Honor’s consideration of this request.
